WHO WE ARE & WHY WE'RE HERE

As football's governing body, USA Football is the sole US member of the International Federation of American Football (IFAF). We create and deliver best-in-class resources, standards and experiences for every football family member to pursue and enjoy America's favorite sport, from youth to elite U.S. National Teams. We are recognized by the United States Olympic & Paralympic Committee, and we are proud to join IFAF and the NFL to advocate for flag football's inclusion in the 2028 Olympic Games.

You want to become your best. We're here to help you level up on-and-off the field. The **U.S. National Team Program** and **The One Flag Championship Series** help adult and youth athletes develop and compete at a higher level.

FOR ORGANIZATIONS

Running a league or team is hard and often thankless work. You have a lot on your plate because you do it all for the game. We're here to help with **grants**, **recognition**, **resources** and **tournaments**. Support starts with **enrollment**.

FOR PARENTS

Finding the right league and football offerings for your child isn't easy. Our **U.S. National Team Pathway** and fun **Blitz Events** help athletes grow and develop. We can also help you **find the right league** - not just the closest one.

GET READY TO LEVEL UP TO THE ONE

Squad up and prove your team's elite at Olympic-inspired flag football through the game's premier series and championship – The One! This national championship will take place in Charlotte, NC at the United States Performance Center, located near the University of North Carolina - Charlotte.

GAME TYPES FOR EVERY BODY

Athletes play in different ways. Game Types help find the right fit for them. From Non-Contact to Limited Contact to Contact – it's all football.

Athletes learn in a developmentally appropriate way and grow their confidence, skills and love for the game. More ways to play give parents and kids more reasons to stay. Learn more about the Game Types or find an organization that offers them.
